Employment

Exciting
things are happening at the Hawaii Natural Energy Institute?and you could become a member of our team!

HNEI?s research and development activities span the renewable energy and ocean resources fields: hydrogen production and storage ? biomass conversion ? fuel cells ? methane hydrates ? biotechnology ? ocean and environmental technologies ? and much more.

If you have an undergraduate or advanced degree in engineering, the natural sciences, or biotechnology, or if you?re skilled in such trades as electronic and scientific instrumentation?and are interested in working for an outstanding organization in a terrific environment at the University of Hawaii?we want hear from you.

Visit our Vacancy Announcements [1] to view a list of current vacancies. If the announcements are not in your area of interest, please contact hnei@hawaii.edu [2] for further information and details.

EEO/AA

HNEI is an equal opportunity/affirmative action institution.
